MOTION OF RECONSIDERATION

Honorable

I would like to write you this letter
To aspt my motion of reconsideration.
I have the final evidence to show you
my motion is about our unique century
and year (1900) in ~~the~~ world based
On a traditional math form,
proving.

Not only has Plaintiff failed to identify any matters or controlling decisions overlooked by the Court, but Plaintiff's motion is also procedurally deficient. See Local Civ. R. 6.3. Accordingly, the motion for reconsideration, (dkt. no. 10), is denied. SO ORDERED.

Date: 08/20/24

Loretta A. Preska

LORETTA A. PRESKA, U.S.D.J.

Address:**Kouadio Kouassi****P. O Box 10 BP 1291 Abidjan 10****Côte d'Ivoire.****Email : kouassik571@gmail.com****Cell phone : 225 05 76 16 50 60****225 07 48 81 77 80****Plaintiff :****Deffendant****Kouadio Kouassi VS former USA GOV****and Côte d'Ivoire GOV****Plaintiff suing for 250.000.000 USD****Docket number : 15 cv 3672**

This appeal is as follow : the reason why my intentions are observed by satellite all over in the world is because our traditional culture and relationships to be kept.

There is only one and unique century and year 1900.

It's defined on our traditional math form : $6x+2y+3=0$

There fore : $6x+5y$

$F(x)=6-1=5-1=4=51/4=12.75$

$F(y)=5-1=4-1=3=41/3=13.66$

We substrat 13.66

- 12.75

= 0 9 1 or 0091

- + - +
19 00=1900 19 00=1900

0 9 1 0 0 9 1

President Donald Trump sent me in côte d'Ivoire and social security administration said that, I got deported and from that point I can't get social security benefits for retirement.

I applied for early retirement. Also the american televisions money the pay me into my social account

I figured out my social security number saying that i'am supposed to be president by interim for three years in cote d'Ivoire, started from 2023 to 2025.

They didn't serve me to be president.

My father got two legals marriages for proof of evidence based on sport because sport is very litigious like two wives in the house is litigious.

The African cup of nations supposed to be played for every two years started from 1957.

Games supposed to be played in 1961, they didn't play but they played in 1962 and they following year in 1963.

Last games supposed to be played in 2023 they switched over to 2024 and they will play again next year 2025

for proof of evidence since 1962 and 1963 games.

The proof of evidence goes in relationship with the math form I have on the top.

$6x+5y$, we débit x and y to get 65 and i will be 65 years old in 2025.

I decided to appeal for malpractice.

I need a recommendation letter to get a visa and plane ticket to go back in USA for surgeries.

Because of political conflicts, between cote d'Ivoire regime and me, you can send me the response at my friend house and he will let me know.

It's : 83 somers street Brooklyn N, Y 11233 appartement PH MR GEORGE EBY

P 4

This is the political demonstration who verify my social security number was use to explain my presidency by interim in cote d'Ivoire. (081 74 2167 is my account number)

$$0 + 8 + 1 \quad 7 + 4 \quad 2 + 1 + 6 + 7$$

$$\begin{array}{ccc} \downarrow & \downarrow & \downarrow \\ = 9 & = 11 & = 16 \end{array}$$

$$\begin{array}{ccc} \downarrow & \downarrow & \downarrow \\ = I & = K. & = P \end{array}$$

$$\begin{array}{ccc} \downarrow & \downarrow & \downarrow \\ = \text{interim} & = \text{Kouassi} & = \text{President} \end{array}$$

Since increase and decrease the fixcal is in what consist the duties of the president's, my social security number was use especially to mean I'am supposed to be president by interim in cote d'Ivoire for 3 years flat.

I don't know, if it's because my intentions are observing by satellite all over in the world doesn't mean sense, the former movies star was using my intentions with television technology to realize movies to make fortune and also my situation has been turned over for incest, for them to have more time to slave me with no pay.

For that reason, on 1983 usa congress passed by legislation to extend the retirement age at 67 years old just, for accusation.

Based on that points: if our traditional celebration will not respect in 2025 like the intelligence said, I will sue for malpractice president Ronald Reagan, president George H. W Bush, President Houphouet Bobigny, president Donald Trump, president Alassane ouattra for 250 million of USA dollars.

President Donald Trump and alassane ouattra are in this case because, they organized my deportation like it's supposed to be based on the new retirement age at 67 years old specifically applied to me.

First count : sticker in my brain and nose surgeries for torture, (50.000.000 USD) fifty million of USA dollars.

Second count : sticker in my chest to block my respiratory, surgery for torture,

(50.000.000 USD) fifty million of USA dollars,

Thrid count : sticker in estomac, surgery to push my privacy out for humiliation.

(50.000.000 USD) fifty million of USA dollars.

Fourth count : sticker in my sex and testicle to push out my superm and my urinary area, surgeries for humiliation.

(50.000.000 USD) fifty million of USA dollars.

Fifth count : stickers in both feet, femurs, surgeries for torture. (50.000.000 USD) fifty million of USA dollars.

For a total cost of (250. 000.000 USD).

Two hundred fifty million of USA dollars for malpractice for damages to be paid to me.

This is the math demonstration, between the form $6x+2y+3=0$ who define the USA retirement age at 66 years old and the geometric angle of 90 degrees and also the first and former president of ivory coast excellence Félix Houphouët Bobigny birthday and my birthday who goes in relationship with the math form to define the geometric angle of 90 degrees.

It's as follow : $6x+2y+3=0$

Therefore, $6x+5y$

$$F(x) = 6x-1=5-1=4 = 51/4 = 12.75$$

$F(y) = 5y-1=4-1=3 = 41/3 = 13.66$ and 66 was chosen for USA current retirement age and $6x+5y$ for retirement age by remove x and y to get 65.

$$12 - 13 = -1$$

$$F(x) = \lim 3$$

$$F(x) = -\infty \lim 3 \cup \lim 3 + \infty$$

$$F(x) = 18x \text{ Houphouët Bobigny birthday}$$

$$F(x) = 18x - 2x$$

$$F(x) = 16/2 \text{ my birthday and month}$$

$$F(x) = 1/8 \text{ we count eight time half}$$

$$F(x) = 4 \text{ to get 4 based on 4 portions}$$

$$X = .1/4 \text{ and we express at } 1/4$$

My question is that : I can't understand why USA retirement age was extended at age 67 and specially will begining with people born on 1960 like me.

I don't know if its for evidence or boycotting.

I BELIEVE That : usa presidents never done after age 66

President ronald reagan became president at age 69 and done at age 77.(problem started from there)

UNITED STATES DISTRICT COURT

for the

SECOND Circuit

KOUADIO KOUASSI

Plaintiff/Petitioner

v.

FORMER USA GOV, Cite Dismissed

Defendant/Respondent

MOTION FOR ~~Appeal~~
Reconsideration

Civil Action No.

15 CV 3672

APPLICATION TO PROCEED IN DISTRICT COURT WITHOUT PREPAYING FEES OR COSTS
(Short Form)

I am a plaintiff or petitioner in this case and declare that I am unable to pay the costs of these proceedings and that I am entitled to the relief requested.

In support of this application, I answer the following questions under penalty of perjury:

1. *If incarcerated.* I am being held at:

If employed there, or have an account in the institution, I have attached to this document a statement certified by the appropriate institutional officer showing all receipts, expenditures, and balances during the last six months for any institutional account in my name. I am also submitting a similar statement from any other institution where I was incarcerated during the last six months.

2. *If not incarcerated.* If I am employed, my employer's name and address are:

I am not working, I live with my parents

My gross pay or wages are: \$ 00, and my take-home pay or wages are: \$ 00 per

(specify pay period) 00

3. *Other Income.* In the past 12 months, I have received income from the following sources (check all that apply):

- | | | |
|--|------------------------------|--|
| (a) Business, profession, or other self-employment | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |
| (b) Rent payments, interest, or dividends | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |
| (c) Pension, annuity, or life insurance payments | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |
| (d) Disability, or worker's compensation payments | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |
| (e) Gifts, or inheritances | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |
| (f) Any other sources | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |

If you answered "Yes" to any question above, describe below or on separate pages each source of money and state the amount that you received and what you expect to receive in the future.

AO 240 (Rev. 07/10) Application to Proceed in District Court Without Prepaying Fees or Costs (Short Form)

4. Amount of money that I have in cash or in a checking or savings account: \$ 5,000 dollars.

5. Any automobile, real estate, stock, bond, security, trust, jewelry, art work, or other financial instrument or thing of value that I own, including any item of value held in someone else's name (describe the property and its approximate value):
